Of the many social events which take place at 314 Memorial Drive, perhaps the three most important are the fall pledge dance, the annual bid party commonly referred to as the "Outhouse Orgy," and the yearly get-together with our sister charge at Tufts College.

The pledge dance this year honored an exceptionally fine group of future Theta Deltas, and due chiefly to the efforts of our Social Chairman, Bob Rothen, it was tremendously successful. party held jointly with Kappa, our sister charge at Tufts, celebrates the founding of the Theta Delta Chi Fraternity.

The house itself is in the best condition in years, due to the spirit demonstrated by the brothers in staying well past the end of the spring term to repaint and paper many parts of the house which were badly in need of repair.
